

Knowledge Transfer Questionnaire

1. How are you and your organization/community affected by the issues covered during this session? List at least two ways, discussing past, current, and future impacts.
2. What new skills or knowledge did you gain during this session? What information or ideas made an impact?
3. What new insights or ways of looking at people or processes have you gained? How have conversations with other participants impacted your thoughts and views?
4. How can the information presented be applied in your work setting? What practices or procedures would you consider changing as a result of this session? Why? How?
5. What actions can you take to transfer this information? What are some of your ideas on implementation? Who else should be involved?
